## Why do we choose this path

- Accountability or Moral Imperative
- To know rather than think we know
- To know what to measure... sustainable
- Become more precise
- set support in place early

## What actions do we wish to pursue

- Learn from others
- Utilise PC to connect leaders to identify good practice
- Look at schools in other countries
- Colleagues sharing their experience of international trips
- Be part of action research
- Sharing within the Region.

## What do we need to do to bring those actions to life

- Network with colleagues.
- Research other countries
- Look at documentation process.
- Evaluation of IEP's to monitor progress of short term and long term goals prior to establishing the next one.
- Evidence based strategies with children SwD.
- Use the same survey year after year to ensure that data is comparable
- A focus on Standard 5 of the AITSL Standards for teachers
